

Quality Management System DIN EN ISO 9001 : 2000

Company

Hörmann KG Freisen
Bahnhofstraße 43
D 66629 Freisen

Scope

Development and production of fire rated and smoke tight doorsets,
security and sound insulating
doorsets and multi-purpose doorsets made from steel

Basis
During the certification audit it was demonstrated that the company and all branches of this company listed in this certificate, have established and are working to a quality management system according to EN ISO 9001:2000 „Quality management systems – requirements“ (Edition December 2000)

Validity
The certificate is valid for 3 years. During this time the company is surveyed once a year.
The certificate is only valid in combination with the accompanying certification and surveillance contracts.
ift-Q-Zert shall be informed immediately in writing of all changes to the prerequisites for certification with the accompanying reports.

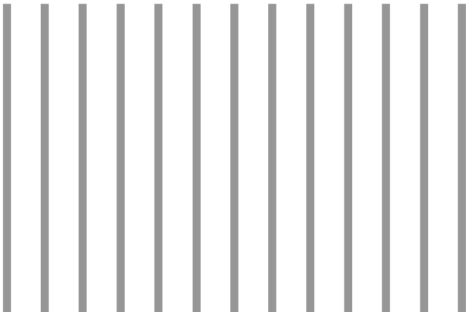

Notes on Publication
The certificate shall only be reproduced unchanged.
Regulations for the use of reports are given in the „Allgemeine Bedingungen für die Zertifizierung von Qualitäts- und Umweltmanagementsystemen“.
